

**THE STATE OF NEVADA**  
**CERTIFICATE OF APPROPRIATION OF WATER**

WHEREAS, Morley Griswold for W.A. Moore has presented to the State Engineer of the State of Nevada Proof of Application of Water to Beneficial Use from a location about 10 miles west of the town of Elko, Nevada, on the south side of the

Moore Springs, No. 901, 2, 3, 4, and 5,

through dams and ponds.

for the purpose of stockwatering.

The point of diversion of water from the source is as follows: in the Section 25,

T. 22 N., R. 56 E., M.D.B. & M.

situated in White Pine County, State of Nevada.

NOW KNOW YE, That the State Engineer, under the provisions of Section 72, Chapter 140, Statute

of the State of Nevada, dated January 1, 1913, has determined the date, cause, purpose and amount of such appropriation, together with the place to which such water is appurtenant, as follows:

Name of appropriator W. A. Moore

Postoffice address Strawberry, White Pine County,

Amount of appropriation 0.025 of a cubic foot of water per second

Period of use, from January 1st to December 31st of each year, inclusive

Date of priority of appropriation December 17th, 1917

Description of works of diversion and use

Small ponds are formed at the springs by means of small dams, where water is conserved for the use of from 1 to 500 head of cattle and approximately 5,000 head of sheep.

The right to water hereby determined is limited to the amount which can be beneficially used, not to exceed the amount above specified, and the use is restricted to the place where acquired and to the purpose for which

acquired.

IN TESTIMONY WHEREOF, I, Robert A. Allen, State Engineer

do sign to this day of February, A.D. 1924.

Attest,

29th day of February, A.D. 1924.
